Wolds and Vale Federation

3 x Advanced Teaching Assistant

Full time (term time only)

Fixed term, initially until August 2023

Grade D

To start as soon as possible

The Wolds and Vale Federation is growing from September 2022 to include 3 wonderful village primary schools (Luttons, Sherburn and Snainton). Luttons Community Primary School and Snainton Church of England Primary School are nurturing learning communities and we are proud of our growing reputation for supporting all children and adults to reach and exceed their potential. Our children grow in confidence throughout the school to 'be the change they want to see in the world'. Staff are encouraged to share their professional learning with each other and embrace the expertise each has to share. We care passionately about the health and well-being of all children and staff. Our schools embrace local, regional and global challenges to consider how we can make a positive difference in our community.

Do you want to be part of a growing federation of village schools?

Do you want to work in a setting with caring, friendly children?

Do you want to work with colleagues and with leaders who support, and promote, your creative thinking?

If so, then we would love to hear from you.

Our opportunity

Following continued growth in pupil numbers at Luttons and Snainton, we are looking to appoint three Advanced Teaching Assistants.

One successful candidate will be based in Key Stage 2 at Snainton. This is a new role in our school and exists to provide targeted support for pupils with special educational needs. The successful candidate will work closely with the SENDCo and class teacher to deliver small group and 1:1 interventions.

Our second ATA vacancy provides an opportunity for the successful candidate to lead our nursery provision at Snainton, which is increasing in September to offer 30 hours. The successful candidate will work closely with our EYFS teacher to plan provision for our nursery children (ages 2-4).

A third vacancy exists at Luttons because of growth in pupil numbers from September. The successful candidate will work predominantly with nursery and Reception children under the direction of the Class Teacher.

As a federation, we highly value the contributions of all staff to help create purposeful learning environments which also supports the development of the whole child.

We actively encourage you to apply if you are passionate about supporting children to be the best they can be and have the skills we are looking for. We are looking for someone that is:

- Dynamic and enthusiastic

- Organised with their time and resources

We can offer you:

- A warm, happy school where we value everyone and have a culture of kindness and support for each other
- Happy children who are enthusiastic about their learning
- A school with exciting and attractive learning environments,
