## ***'One federation family, with transformation at its heart***

1st November 2021

Dear Parents/ Carers,

Due to a rise in Covid cases within the school community, I have taken the decision to implement additional safety measures throughout the Federation. This is consistent with national guidance and measures have been agreed by the Local Authority Public Health Team. These measures will be in place for at least 2 weeks and will be reviewed on 12<sup>th</sup> November.

Unfortunately, breakfast club will only be available for pupils who's grown up's are required to work. If you require a place, please book this through the office or via class Dojo.

After school clubs are suspended until further notice.

Whole school gatherings like Collective Worship and assembly will cease. Therefore, we are unable to hold 'Star of the Week' assemblies for the time being. Class teachers will continue to celebrate their achievements in class.

Children will eat their lunch in the hall with their class with additional cleaning and sanitising being implemented.

Visitors to school will be strictly limited, so please call or email the office if you need to speak with a member of staff.

Windows will be open to give additional ventilation throughout the building and the heating will be on to make the classroom as comfortable as possible. Please ensure your child has extra layers and a coat in school, which they can wear indoors if they feel cool.

Please carefully monitor your child for symptoms of Covid and arrange a PCR test, if required. The main symptoms continue to be, a high temperature, a new continuous cough and a loss/ change to taste or sense of smell.

If your child has tested positive for Covid, I will support your decision if you choose to keep any other siblings at home to help prevent the spread of infection.

Yours sincerely

Mr M Davies
