A message from Mrs Mould...

Dear Parents and Carers

What a great first week back! It was so lovely to see the children on Tuesday and they have all settled back into the routines of school life really well.

The first week of term is always exciting as new units of work are started and this week has seen our History questions put to the children—"How did we learn to fly?" For Early Years and Key Stage 1 and "How hard was it for the Anglo Saxons to invade and settle in Britain?" for the Key Stage 2 children. Although this half term is short (only 4 weeks to go!) the curriculum will be continuing at pace in all subject areas! We are looking forward to hearing and seeing the learning in the coming weeks.

There are always times when as a parent or carer, you have concerns about your child or queries about various aspects of school life. You are always welcome to come and discuss your queries and concerns with staff but we do ask that this is done in a calm, rational manner and that aggressive and/or threatening comments and/or behaviour towards staff will not be tolerated. Please do speak to your child's teacher in the first instance if there is anything that we can help or support with.

I hope you all have a lovely weekend.

Best wishes

Mrs Mould

Attendance News

Whole School Attendance News

Our Federation Target is 97%

This week's whole school attendance was: 99.68 %

Individual Attendance

Well done to all the children who achieved 97% and above Attendance this week. The certificate winner for the weekly attendance is

Sara

Class Attendance News

Class 1: 100 %

Class 2: 99.46%

Well done to Class One who will be enjoying their extra playtime.

Stars of the Week

Class 1

Everly

For a wonderful first week, getting settled and joining in with lots of learning.

Class 2

Emily

For asking great questions and making super contributions in class

Forests School Stars of the Week:

Jack L and Kyle

For working in a team to lop branches off a tree

Deighton

For using his imagination to explore ideas with string

Notes from the Headteacher:

Class 1

Stephen

For persevering with his learning this week and trying very hard on his own! He can do it!

Class 2

Lewis P

For a positive attitude towards learning.

Kacey

For trying incredibly hard in maths

Our Learning This Week.....Class 1

We have had an amazing week in Class 1. The children have been so warm and welcoming for mine and Everly's first week. They have certainly enjoyed exploring the new areas of provision.

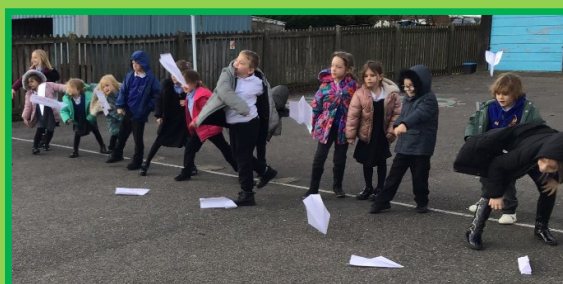

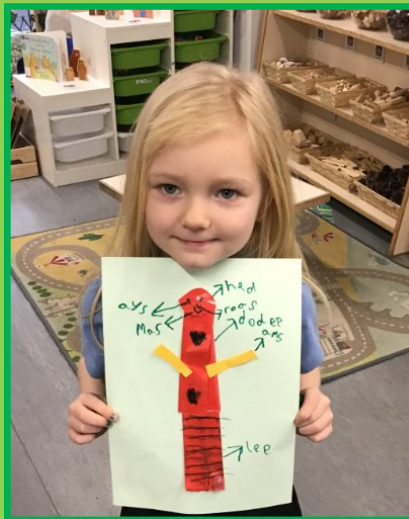

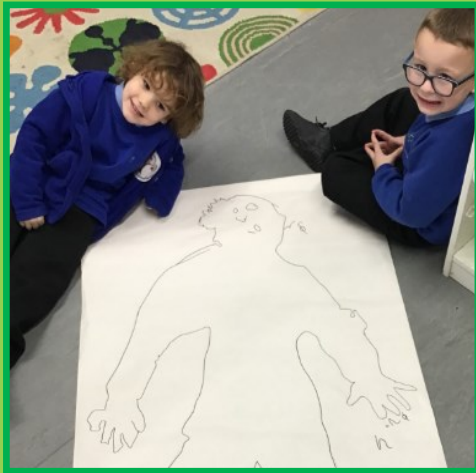

Thank you!

We have been learning about the first ever flight and reading and writing about pigs who might fly! We have also made some paper aeroplanes and tested them out!

In Science, we have been learning about our bodies and labelling them.

In Maths, EYFS have learnt about the number 6, Year 1 have been thinking about numbers 11-20 and Year 2 have been finding out about pounds and pennies and adding them up. What a busy week we have had!

Miss Trotter

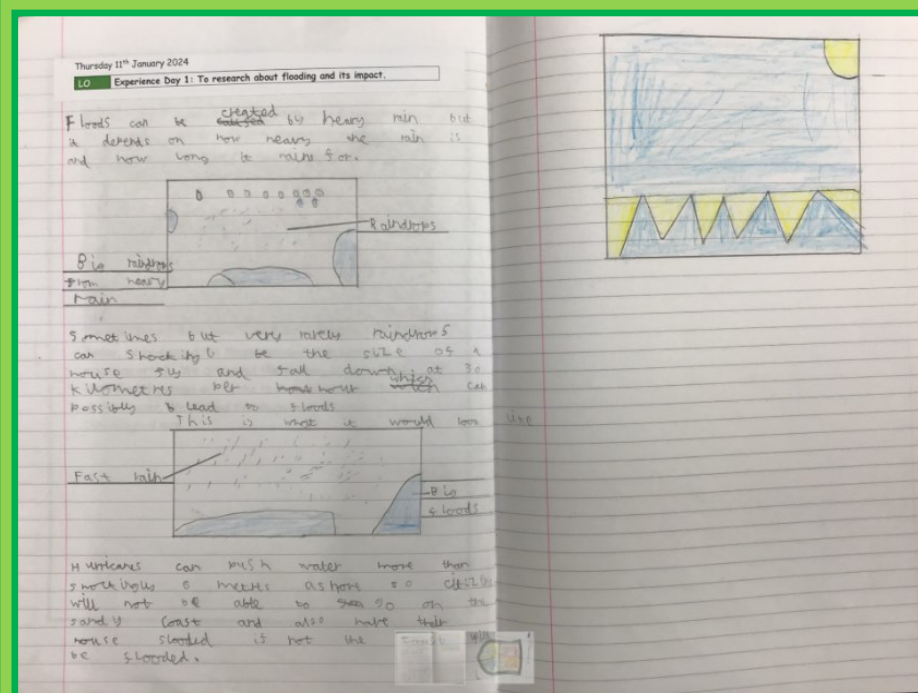

Our Learning This Week.....Class 2

This week has seen a welcome return for Class 2. The children were so excited to be attending their lesson again and I am so proud of how much progress they have made since the beginning of the year.

In Forest School the children have been practising joining natural materials using string, which will hopefully help them with other essential skills such as tying shoelaces. This is always a good skill to practice at home if you get a couple of minutes!

In PSHE the Year 5 and 6 children have been learning about self respect. We have spoken about self care, personal boundaries and how our inner voice plays a massive role in the way we see ourselves. We have practised changing common negative thoughts such as "I can't do this" to more positive affirmations such as, "I am trying my best and this is when I do my best learning". Hopefully this is something we can all practise (adults included) as we go through the term.

Finally, in English we have begun our next unit of work based on climate and magazine articles. The children have asked some amazing questions and have really enjoyed researching the impact of flooding.

TERM DATES 2022/2023/2024

Return	Tuesday	6 th September 2022
