### A message from Mrs Mould...

Dear Parents/Carers

As we are heading towards the half term holiday, it is a good opportunity to look back at the half term so far and reflects on the progress that the children have made so far. Our new curriculum is now being embedded and the children are showing a real enthusiasm for their learning across all subjects. There will be an opportunity early in the new half term for parents and carers to come into school for the children to show you around and celebrate their work with you. More details will be shared after half term.

All adults in school are very proud of the children adapting so well to their new dinner time routine of eating in the classroom/library area. They have been so sensible and the Year 6's especially, so helpful. We have been advised that the hall is safe to use but it has been decided that our new routine will be continued for the foreseeable future. The hall will be safe enough to be used for PE, when the weather prevents them from being outside.

Please could I politely remind all parents and carers and to be considerate when parking outside school at drop off and home time. Please ensure that all cars are parked away from the yellow zig zag lines immediately outside the school gates. It is illegal to park here and can also prevent the bus dropping off as close to the school gate as possible in the interests of safety. Thank you in advance for your support and co-operation with this.

Best wishes

Mrs Mould

# Attendance News

## Whole School Attendance News

Our Federation Target is 97%

This week's whole school attendance was: 90.29%

## Individual Attendance

Well done to all the children who achieved 97% and above Attendance this week.

Congratulations to our certificate winner:

Daisy

## Class Attendance News

Class 1: 96.24%

Class 2: 87%

Well done to Class One who will be enjoying their extra playtime.

# Stars of the Week

Class 1

Lorelei

For Amazing phonics and always working hard

Class 2

Lacie

For improved presentation and super effort in writing and maths

## Forests School Stars of the Week:

Class 2

Crystal

For showing bravery when cutting nettles with the secateurs

Marshall

For having a kind temperament when handling insects.

## Notes from the Headteacher:

Class 1

William

For being a star and working hard all week and making super progress

Class 2

Charlie

For beautiful manners and a kind and caring attitude

Thomas

For going over and above every single day

# Our Learning This Week.....Class 1

In Class 1 this week, we have started our next English writing topic and we are looking at a story. We have been immersing ourselves in experiences to describe starry skies and how this makes us feel.

We will be continuing to investigate the next bit of the story each day until we build up to a complete story. The children have been fantastic in collecting a wide variety of vocabulary.

In Maths, we are looking at addition and all of the bonds we can learn which will help us work things out as the number sentences become more difficult.

As we are in Autumn, we have been thinking about Harvest and all the different fruit and vegetables that grow. The children have enjoyed investigating these in the Classroom.

If you are out walking this weekend, we would love you to collect some colourful leaves and bring them into school. We are hoping to use these to show off their beautiful autumnal colours.

Have a lovely weekend Class 1.

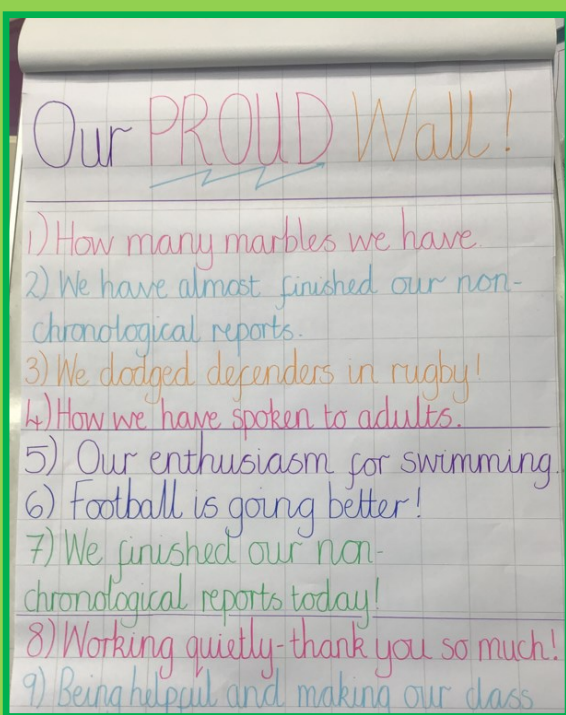

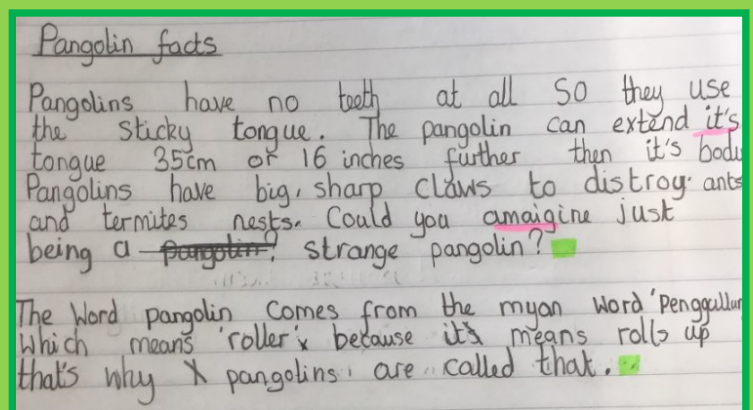

## Our Learning This Week.....Class 2

In PE this week, we have thoroughly enjoyed our tag rugby sessions. We have been dodging attackers and scoring tries. The staff are also immensely proud of all of the children for their progress in swimming. Some of the children have been swimming across the pool without their pool noodles and have even jumped in at the deep end of the pool. It has been a real pleasure to watch them progress so quickly and enjoy taking part with such confidence and enthusiasm, practising skills which are essential in ensuring their safety in and around water.

In Science, the children have been trying very hard to remember the names of the bones in the human body. They have collected data by measuring bones. The year 5/6s have even calculated the mean average and suggested why some results seemed to be anomalous.

In writing this week we have started to write our non-chronological reports, independently this time! But here are some of our beautiful sentences which we created about pangolins.

We have started to reflect on our school day and have been thinking of reasons to be proud of ourselves. Here is our "Proud Wall". Perhaps you could share with your children, each day, why you are proud of them too? Or, can they share with you why they are proud of themselves? It is always wonderful to hear the children have confidence in themselves and understand how valuable they are to their school, their families and also their wider communities.

## REMINDERS

- If you have not done so already please return your parents evening slip to the school office.  
Appointments will be sent home next week.
- The Flu vaccination team will be in school next Wednesday afternoon to immunise children against the flu. If you have not done so already please follow the link here to give/deny permission. <https://ynyschoolvaccination.uk/flu/2023/northyorkshire>
