A message from Mrs Mould...

Dear Parents/Carers

Another lovely week in both schools this week. All children have made a really great start to the school year and are now getting into their stride with new routines and expectations and are beginning to enjoy their new learning.

We have started a new way of teaching and learning Writing this week and it has been so lovely to see and hear how well the children have taken this on board. They have been looking at various text types and understanding the features, practising writing their own sentences which they will use, overtime, for their own learning.

Lots of children have been completing their self portraits this week too and the finished pieces are amazing. We have some very talented artists in school! We are looking to display some of them around each school.

We are delighted with our Key Stage 2 children at Luttons for becoming so confident with their swimming after only 2 lessons! They are really enjoying their swimming sessions and are buzzing with excitement when they get back to school!

I wish you all a lovely weekend.

Best wishes

Mrs Mould

Attendance News

Whole School Attendance News

Our Federation Target is 97%

This week's whole school attendance was:
92.33%

Individual Attendance

Well done to all the children who achieved 97% and above Attendance this week.

Congratulations to our certificate winner:

Jack C

Class Attendance News

Class 1: 90.37%

Class 2: 93.55%

Well done to Class two who will be enjoying their extra playtime.

Stars of the Week

Class 1

Ffion

For amazing English work, identifying text shapes.

Class 2

Deighton

For a positive attitude and excellent progress in swimming.

Forests School Stars of the Week:

Class 2

Mary

For working really well in a team during Forest School.

Jack L

For showing great responsibility when taking on new activities in Forest School.

Notes from the Headteacher:

Class 1

Daisy

For having a really positive and mature start to Year 2. She is working really hard and being so helpful.

Class 2

Year 6 children

For displaying a mature and conscientious attitude .

Our Learning This Week.....Class 1

Wow, what a busy week of learning it has been in Class 1!

In Maths this week, we have been investigating numbers of different sizes, getting our brains back into using numbers and recognizing what they look like and how they are made up. Year 1 children have also been sorting objects by looking at their similarities and differences. Reception children have been singing lots of number songs, and enjoying buying currant buns with their pennies.

In English this week, we have been looking at a text about the seasons and we have mapped the text using shapes. At the end of our unit, we are going to use our shape map to write our own piece of writing following the same plan.

We have also been able to enjoy being outside in the sunshine this week (hopefully it will last a bit longer) taking part in a range of activities and using our wheeled toys.

Our Learning This Week.....Class 2

This week in Class 2, we have completed our final art pieces. We have carefully selected our backgrounds, using collage and printing techniques and have rearranged our self portraits, enhancing them with extra details to create interesting effects! We are incredibly proud of the work the children have produced.

In Forest Schools, the children have been finding habitats and writing plans to enhance our school grounds.

In Maths, we have continued to look at place value and the Year 6 children are working really hard to read numbers to 1 million.

PE Days and Kits

On PE days (Wednesday and Fridays) children will come to school in their PE kit and remain in their PE kits all day.

PE kit is a white t-shirt, black shorts and plimsolls or trainers for outside. As the weather gets colder, children can wear their school sweatshirts over their t-shirt—NO hoodies, or branded clothing. Just the school sweatshirt or a school fleece.

Forest School Days

On Forest School day (Tuesday) children are to come to school in their uniform but ensuring that they have their arms and legs covered. As we move into Autumn and Winter, this shouldn't be a problem as the boys will be wearing trousers and jumpers and the girls wearing trousers or tights.

Children may bring an extra sweatshirt/fleece to add as an extra layer when it is cold. They will also need a weather appropriate coat.

No jewellery is to be worn on PE, Forest School or swimming days. If children are able to take out and put back in earrings on their own they may do so. If they are not able to, they should not wear earrings to school on these days. Taping over earrings is not permitted.

HELP REQUIRED

We are looking for external help at school to undertake some basic repairs and maintenance.

The work will be ad-hoc on a casual basis.

The ideal candidate will be **self employed** and undertaking a similar role. We need someone who is **trust-worthy** and reliable and has good **DIY** skills.

This will involve working in school performing basic repairs and also some general tidying up of our outside spaces.

Standard pre-employment checks including references will be required. A DBS enhanced check will need to be in place prior to undertaking any work for the school. Full safeguarding training will be given to the successful candidate.

If you know of anyone who you think would be suitable for this role, please ask them to contact Mrs Warren at school for more information.
