Luttons News

Friday 15th March 2024

Dear Parents and Carers

The highlight of this week has to be our 'Egg-celent' Egg decorating and race event held at Sherburn this week. Thank you to Mrs Fry for organising this 'egg-Credible' afternoon. So many of you arrived to join in with this activity and we are very fortunate to have such wonderful staff to organise these 'egg-stra' events for the children and their families. Thank you for taking the time to come along and I look forward to seeing this event run again this time at Luttons School.

Today has been great seeing so many children and staff dress in something SPORTY for Comic Relief—thank you for donating to this worthy cause. We will let you know the total raised and you can find out what happens to the money raised online. We chose to dress up in sporty clothes today to accommodate those children in classes who are having PE.

Next Wednesday is our Gymnastics Festival which parent/carers have also been invited to. I have seen the children practice their routines and I am looking forward to sharing this with you all. Thank you to Mr Ellis for putting this together. It is always lovely to have parents/carers in school so we can share these experiences.

A gentle reminder about school PE kit. We appear to have some children coming to school dressed in PE kits that are not the correct colour. Our school PE kit is a plain black or blue tracksuit (without a hood for safety reasons) that does not have pictures or logos. If you have any problems finding the correct uniform please speak to a member of staff. Thank you for your understanding.

Have a lovely weekend

Mrs Evans

Attendance News

Whole School Attendance News

Our Federation Target is 97%

This week's whole school attendance was: 93.28%

Individual Attendance

Well done to all the children who achieved 97% and above Attendance this week. The certificate winner this week is:

Marshall

The raffle prize winners this week are:

Lewis L and Carter

Class Attendance News

Class 1: 97.33%

Class 2: 90.34%

Well done to Class One who will be enjoying their extra playtime.

Stars of the Week

Class 1

Daisy

For being such a kind and generous person and supporting new children settle into our team

Class 2

Ellie

For working really hard and producing excellent work

Forests School Stars of the Week:

Arya

For showing keen observational skills in Forest School

Marshall

For always following the instructions correctly

Notes from the Headteacher:

Class 1

Mia

For trying so hard in all areas of work, especially with her writing

Class 2

Harry

For super independent work

James

For working hard and excellent behaviour

Our Learning This Week.....Class 1

What a busy learning week we have had in Class 1!

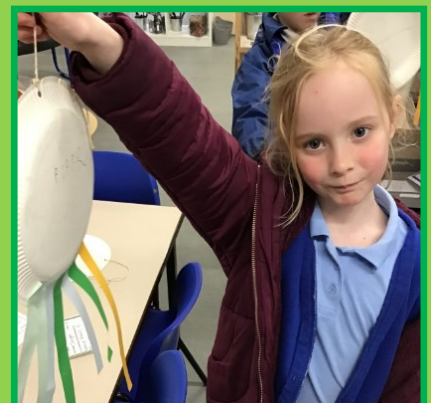

This week, we have been making music with instruments that do not need tuning. We had 2 conductors, one showing the tempo and one showing the dynamics,. The children then had to play according to the conductor's instructions and it got very loud at times! Ask us what tempo and dynamics mean, we can also tell you about pitch!

Early years have been using their computing knowledge to take selfies of their creations and themselves. They are also having 'sports day' style races to support our gross motor skills and emotional wellbeing.

In Maths this week, KS1 have been measuring objects around the classroom using different apparatus before we moved onto accurately measuring objects in cm using a ruler. Year 2 have also looked at balancing different objects with balance scales before moving on to weighing with accurate weight measurements.

Children have been writing facts about our school day in English in preparation for our letter writing sessions and in Geography this week we looked at points of a compass and had to describe what we could see when we looked North, East, South and West when we stood on the playground outside. Hannah impressed the adults by bringing in her compass from home and Ffion knew another acronym for the points which she shared—Never East Shredded Wheat!

Miss Trotter

Our Learning This Week.....Class 2

This week in Geography, we have loved learning about the Amazon Rainforest. We have learned all about indigenous people and how they use the rainforest and also protect it.

In Maths we have been looking at addition and subtraction. We are currently using the inverse to check our answers.

We have produced some beautiful pieces of writing in English, using speech to advance the action.

Mrs Ridley

Fred? Fred! Are you okay?" said Lila, worriedly, running through the scrub.

"I am okay," said Fred holding in his hands, rubbing the ball that appeared on his shoulder. "It's getting late, we need to find a safe place to stay tonight." Fred was surprised when he was talking calmly.

Taking Lila by the arm, Fred kicked through the bush trees which leaved over them, until they saw a small hut.

appeared upper in the dark forest ahead.

♥ appeared

● Absolutely outstanding! You used dialogue to advance the action.

Date: 14.3.24

Name: LEWIS P

Learning objective: To understand the lives of indigenous peoples living in the Amazon rainforest.

Who are the indigenous peoples?

People who were always living somewhere like Brazil, America.

How do the indigenous peoples use the Amazon?

by picking fruit from trees, using the river as a transport, using dead wood for boats etc.

How do the indigenous peoples feel about the Amazon?

They like it because they were born there and will protect it.

Fred? Fred! can you hear me?" said Lila, anxiously as she pushed through the thicket of the plane crash to get to her rubbish.

"I'm fine," said Fred, lifting the throbbing in his head, as Lila appeared from the bushes. "It's getting dark, we must get shelter the right way."

Fred took Lila by the hand and pushed through the trees, as they made a way through the forest, as they were the speediest by them.

♥ hear - you were right the first time ☺

♥ pushed

● Amazing use of a colon and dialogue
