### A message from Mrs Mould...

Dear Parents/Carers

Yet another busy week this week across both schools!

This week we have had Mathematicians, Geographers, Scientists and authors at work! Our younger children have been learning about number bonds, and our very youngest children have been looking at how numbers 1-5 can be made up of 1s or by adding 2 numbers together and using painting to help to consolidate their learning. In Geography, our Key Stage 2 children have been learning about the different layers of the Earth and have been completing colouring and labelling across a section of our planet. Across both schools, there continues to be some amazing writing from all year groups.

At Luttons, the children enjoyed the visit from the Science Bus and had the opportunity to look at and handle various objects connected to their recent Science Unit on bones and muscles. The Science Bus is also booked to visit Sherburn in the near future.

Our clubs are also very popular this half term. The children are enjoying music, craft, art, film and dance clubs. Thank you to the staff who provide these clubs for the children. It is lovely to see the children enjoying a variety of opportunity and experiences.

A polite reminder please about not parking on the zig-zag lines outside of each school. Parking on these lines is illegal and can, in the case of Luttons, prevent the school bus from pulling up safely to the gate.

The children looked amazing today in their non uniform, spotty clothes for Children in Need. Across the Federation we have raised a total of £131.40. Thank you to everyone who donated—it is much appreciated.

A reminder that next week are our first "Inspire" afternoons—Sherburn is on Tuesday and Luttons is on Thursday. Both events start at 2.30pm. The children and staff are very much looking forward to seeing you all.

I wish you all a very happy weekend.

Best wishes

Mrs Mould

Well done to Class Two who will be enjoying their extra playtime.

# Stars of the Week

Class 1

Stephen

For a visible change in his confidence and application to learning.

Class 2

Mary

For fantastic independence and a positive attitude towards learning.

No Forest School this week due to the visit from the Science Bus.

Notes from the Headteacher:

Class 1

Reggie

For a real commitment to learning his phonic sounds.

Class 2

Harry

For working incredibly hard and always making the right choices.

Crystal

For always being polite and thinking of others.

# Our Learning This Week.....Class 1

In Class 1 this week we have been investigating Diwali in music. We have found that this is a Hindu festival of light which is not always on the same day as it happens when there is a new moon and is the darkest day of the lunar month.

We investigated how the moon looks like it changes over the month when we can see more or less of it, depending how much is in shadow. For many people, Diwali is a five day festival where they clean the home, exchange gifts, decorate buildings and enjoy firework displays.

In maths this week, the children have been continuing to add and subtract using a range of different resources. The children in Reception have been learning that every number can be made up of one.

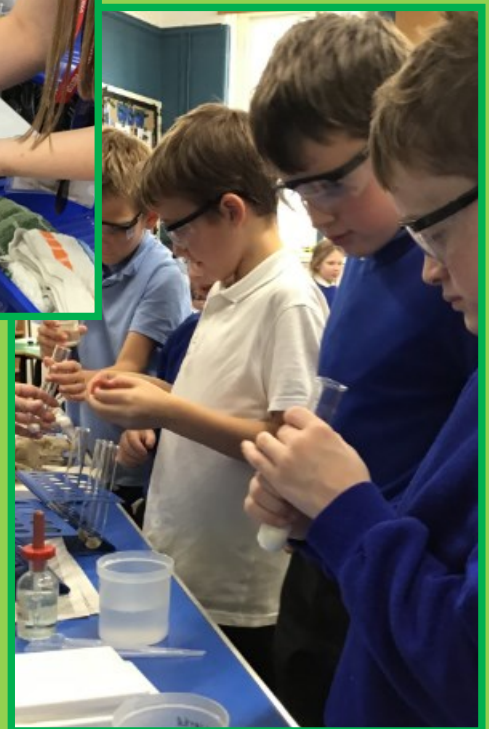

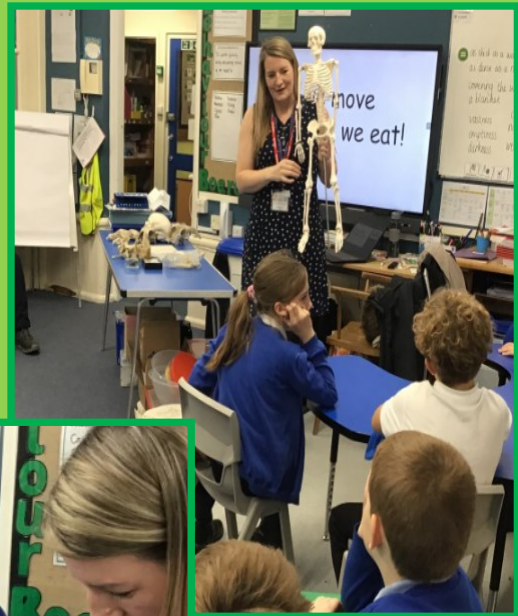

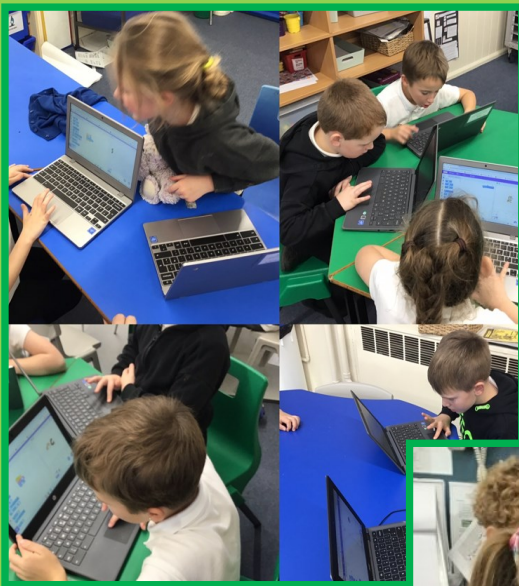

## Our Learning This Week.....Class 2

In computing this week, we have begun tinkering on Scratch. We have changed our sprites, made them move and have even added our own sound effects.

We also had a visit from Malton Science Bus, this provided a great opportunity for the children to share their knowledge of the human body as well as food and nutrition. They also carried out some experiments, testing different foods.

In English, we have begun reading 'The Boy, The Mole, The Fox and The Horse' by Charlie Mackesey. The children have really impressed us with their use of speech punctuation and amazing vocabulary choices.

## READING CAFE

### TEA AND COFFEE

Enjoy a cup of tea or coffee and maybe a biscuit or 2!

### READING

Share your favourite book with your child(ren) - you could read to them or they could read to you!

### LEARNING TO READ

Although your child will be taught to read at school, you can have a huge impact on their reading journey by continuing their practice at home.

### HOW YOU CAN HELP AT HOME

Come and find out how you can help your child learn to read at home.

## FIND OUT MORE ABOUT PHONICS...

The phonics workshop will include an exclusive look into a phonics lesson and will include:

- **What is phonics?**
- **What is meant by decodable and how to support your child at home.**
- **A closer look at some of the terminology used when teaching phonics.**

# FOLS

Friends of Luttons School are asking for help with kind donations for an upcoming event at Scampston Hall on Sunday 26th November. They are planning to have a stall and sell gifts and crafts to raise money for the school.

If you like to craft or have any good quality crafts or unwanted gifts that you would like to donate to sell, please can you drop these off at the school office no later than Monday 20th November.

FOLS is a voluntary group that work alongside school to help raise extra funds for a wide range of initiatives to provide resources for the children. If you think you would like to offer to help either on an ad-hoc basis or to join the committee, please contact the school office.

THANK YOU!
