A message from Mrs Mould...

Dear Parents/Carers

What a wintery end to the week! The children have been very excited to see the snow and have enjoyed playtimes!

It has been another great week across both schools. It is so lovely each week to see what the children are receiving Star of the Week and Headteacher's notes for—this week alone we have had awards for Science, Geography, Maths and Writing. It is great to hear the children talking about their learning in all subjects with increased enthusiasm and confidence. Hopefully the Inspire afternoons will have given you a first glimpse of our curriculum and more details will be shared in the Spring Term, as well as another opportunity to join us for another Inspire afternoon.

Please take a moment to note the dates of the various Christmas events we have coming up in the next 3 weeks (further down the newsletter).

We look forward to seeing you!

I wish you all a very happy weekend.

Best wishes

Mrs Mould

Our Learning This Week.....Class 1

In Class this week, the children have been busy using the Cbeebies poppies animation as a base for their writing. They have been looking at the rabbit characters and how they move and behave to write the story to go with the animation.

In Science, the children have continued to investigate materials and they have been finding out about materials that are waterproof and absorbent. They carried out an investigation to see how much water different materials would absorb.

In Maths, the children have all been investigating 2D shapes; naming them, and then describing them using their properties.

The children have also been making music by using sounds that our mouths and bodies make and putting these together to create a piece of 'music' - beat boxing at it's best.

We also enjoyed playing in the snow today!

Our Learning This Week.....Class 2

What an exciting week in Class 2!

We are continuing to work hard in Maths and English and are really enjoying 'The Boy, The Mole, The Fox and The Horse' which we are basing our writing on.

In Geography, we are busy learning about tectonic plates and how they form mountain ranges, volcanoes and how earthquakes happen.

In Music, we have created soundscapes and worked together to make our final piece to accompany an animation.

Finally, what an end to the week! We enjoyed some time in the snow, making memories with our friends. Magical days like this makes us feel even luckier to live where we do and be surrounded by our wonderful friends.

Dear Parents,

I am delighted to inform you that following the success of previous year's courses we are expanding the football coaching programme for the season. The course will run on a weekly basis **EVERY WEDNESDAY** during school term times.

All of our courses are run by F.A. QUALIFIED COACHES INCLUDING EX-PROFESSIONAL PLAYERS. All of our coaches have been DBS/CRB POLICE CHECKED. The course is open to boys and girls aged between 4 and 12. All abilities are catered for with total beginners introduced through FUN and confidence building practices. The course is tightly structured to ensure all aspects of football skills are developed.

At the end of the term(usually 10-15 weeks) every child will receive an engraved merit trophy and course certificate, with chances to win extra trophies including penalty shoot out, american shoot out and champions league competitions.

The cost of the course is £7 per week, which is payable every four weeks (£28) with the first payment due on week one. Parents are welcome to stay and watch however the club is fully supervised so children may be left in our care. We have the use of excellent facilities with the course held indoors in the large sports hall.
