A message from Mrs Mould...

Dear Parents/Carers

Another half term has flown by!

Once again I have been so proud of the children and their learning this half term. I would like to particularly congratulate our Year 6 and Year 2 children for the way in which they tackled the SATs.

They showed determination and resilience which is admirable.

As this term draws to a close, it is the right time so inform you of some key events taking place next half term. Please take the time to note these key dates, it will be a very busy summer half term!

Finally I would just like to wish the children, parents/carers and the whole staff team a wonderful half term holiday.

Best wishes

Mrs Mould

Attendance News

Whole School Attendance News

Our Federation Target is 97%

This week's whole school attendance was:
98.01%

Individual Attendance News

Well done to all the children who achieved 100% Attendance this week.

Congratulations to our certificate winner:

Deighton

Class Attendance News

Class 1: 97%

Class 2: 98.6%

Well done to Class 2 who will be enjoying their extra playtime.

Stars of the Week

Class 1

Henry

For having a genuine love of all things factual and eagerness to share his knowledge.

Hannah

For having an amazing writing week, using her phonics to help her spell longer words.

Class 2

Lewis P

For making us smile every day with his humour and his fantastic attitude towards work.

Crystal

For her fantastic progress and hard work in writing.

Forests School Stars of the Week:

Class 1

No Forest School this week.

Lower Key Stage 2

All lower key stage 2 for being safe around the fire.

Upper Key Stage 2

All upper key stage 2 for being safe around the fire.

Notes from the Headteacher:

Class 1

Jack H

For completing some amazing constructions and beginning to count the blocks he has used.

Harry

For showing kindness towards others when they are upset.

Class 2

Frankie

For settling in so beautifully this week and being a joy to teach.

Alice

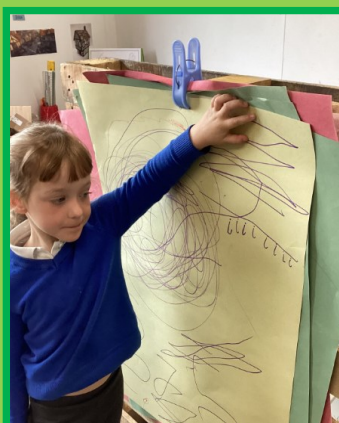

For always being a ray of sunshine and our school light .

Our Learning This Week.....Class 1

This week in Class 1, we have been writing stories based on 'Mapping Sam'. The children have all written their own version of the story where an animal goes on an adventure once its owner has gone to bed.

We have also been finding out about Samuel Pepys and his impact on the events of The Great Fire of London. You might want to ask your child about the things Samuel Pepys buried in his garden—the children were intrigued!

It is fantastic to see the children continuing to use their tricky word key rings and this is really beginning to have an impact on their reading. It is the sight reading of these smaller words that really help your child to become more fluent when reading.

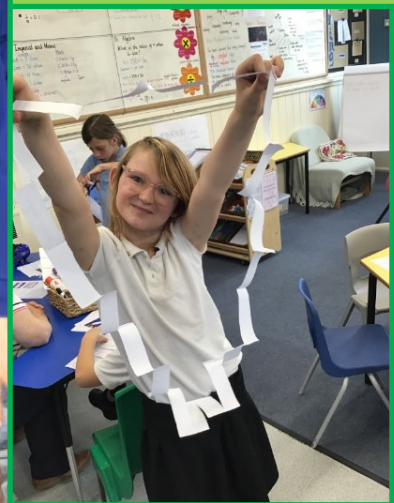

The children have worked really hard this half term and I'm sure they are ready for a break.

Our Learning This Week.....Class 2

In science we have been investigating plant growth and have noticed the difference between plants when they have not been watered. We have also looked at the transpiration system using celery and food colouring. In math's, we have been estimating Capacity.

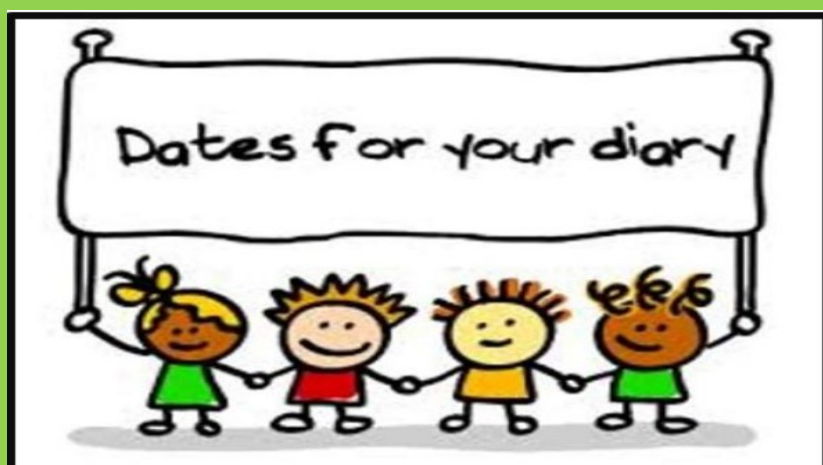

In assembly, we celebrated Pentecost, the church's birthday and sang hymns with battery operated candles.
