

THE WOLDS & VALE FEDERATION

Luttons News

Friday 26th January 2024

Dear Parents and Carers

It has been another busy week across the federation, and the children have experienced a wide wealth of extra curricular activities in our wonderful lessons such as PE, Forest Schools, History and Art.

Key Stage Two have started to access our new reading programme - Reading Plus which focuses on developing children's fluency of reading and comprehension skills. We are super excited for the children to access this, and are already seeing great enthusiasm and progress in the short term that they have been completing the programmes!

Your child will have brought home a letter tonight which explains our plans moving forwards in Mrs Mould's absence at this time. We hope that this will provide comfort in this challenging period. Staff across the federation continue to work tirelessly to put your children first and ensure that they get the most out of their education here. I know that both Julie Pattinson and Associate Head from Ebor Academy will have the same aim in mind.

As always, please do not hesitate to contact your child's class teacher in the first instance if you have any concerns.

Thank you for your continued support—as always

Best wishes

Miss Childs and Miss Trotter

Our Learning This Week.....Class 1

Another wonderful week in Class 1!

This week we have been really thinking about our senses and have tested them out. We have been sniffing, touching and tasting different foods.

We have started a new book in English 'the way back home' and have really explored the different words for our sentences. Some of these have been fabulous! Well done team.

In Art this week, we have looked at Creating a picture with collage and painting using only primary colours and turning them into secondary colours and painting numbers with these like Jasper Johns did.

Have a lovely weekend everyone
Miss Trotter

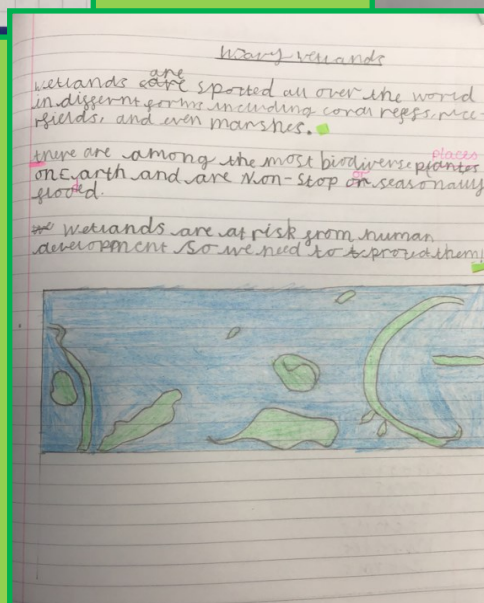

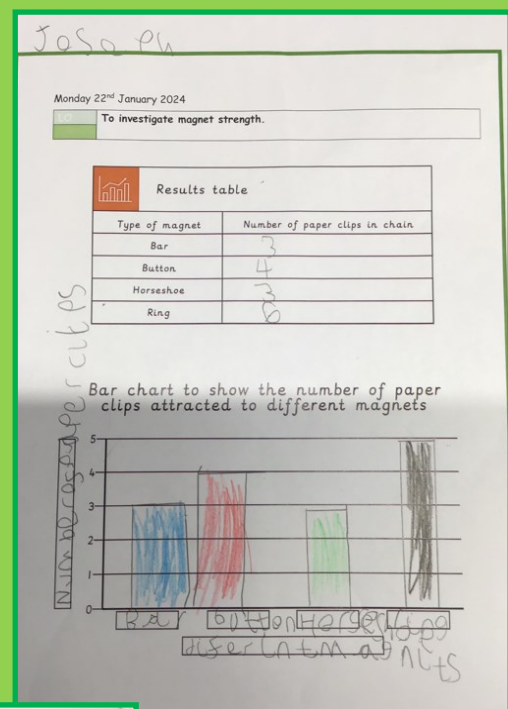

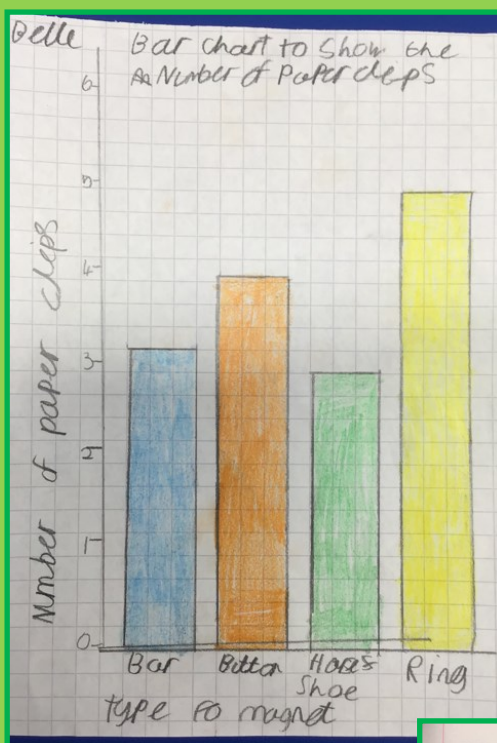

Our Learning This Week.....Class 2

This week, we have enjoyed another swimming session after not being able to go last week due to the snow. We enjoyed races and practising different strokes. Just two more swimming lessons to go for Class Two before Sherburn children commence their lessons.

In History, we have been learning about the Anglo Saxons. We have learnt about the Angles, the Jutes and the Saxons invading and settling in Britain.

In PSHE we have looked at gender stereotypes and the adults were very impressed with the mature discussions that took place amongst the children.

In Science, we have continued to investigate magnets and have recorded the results in impressive bar charts!
