A message from Mrs Mould...

Dear Parents/Carers

Another good week in both schools this week, with all children enjoying learning a wide variety of subjects.

The Key Stage 2 children have enjoyed learning about balanced arguments and have held debates in class over a wide range of issues such as “should dogs always be on leads in public places?”, “should we always buy British food?” and “is technology good for children?”.

There have been some interesting thoughts and opinions shared and the children have learned how to debate—to form opinions and to listen and respect those of others—and to draw balanced conclusions. They have also enjoyed their Geography lessons learning about human and physical features of the UK.

The Key stage 1 children at Luttons have enjoyed reading letters from The Jolly Postman and deciding if they were formal or informal before thinking of writing their own, as well as weighing and measuring. The children at Sherburn have enjoyed following instructions to make fruit kebabs before the best bit—tasting them!

Early Years children have enjoyed being outside in the lovely sunshine and practicing their writing skills.

As well as working hard, I have heard examples of the children being really resilient, kind and respectful of each other this week. We are really proud of all our children, across both schools, for having such positive attitudes and trying their best in all that they do.

Children at both schools have also been practicing hard for their Sports Days—please keep your fingers crossed for good weather!

I hope you have a lovely weekend.

Best wishes

Mrs Mould

Our Learning This Week.....Class 1

In Class 1 this week, we have been working on our fielding skills in cricket with our throwing and catching. The children enjoyed showing off their skills by throwing balls at the 'aliens' (Cricket stumps) to save the world!

We have also been looking at what things weigh and how to measure this using direct comparison before investigating how balance scales work. The children can quickly spot which is heavier and which is lighter, although this wasn't always as expected.

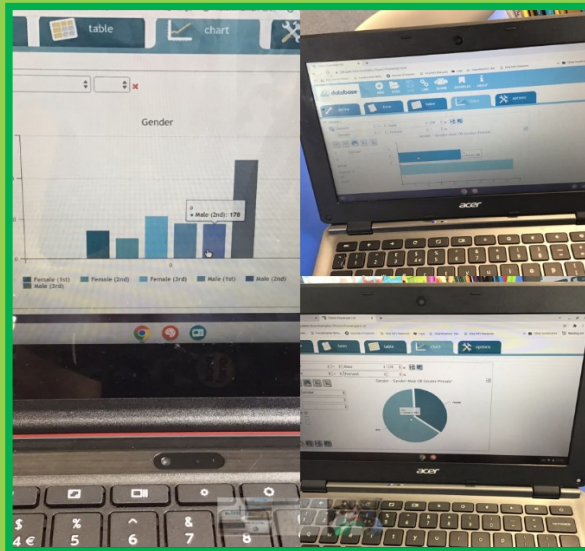

In English, we have been looking at letters, looking at all the letters The Jolly Postman delivered and decided whether they were formal letter or informal letters.

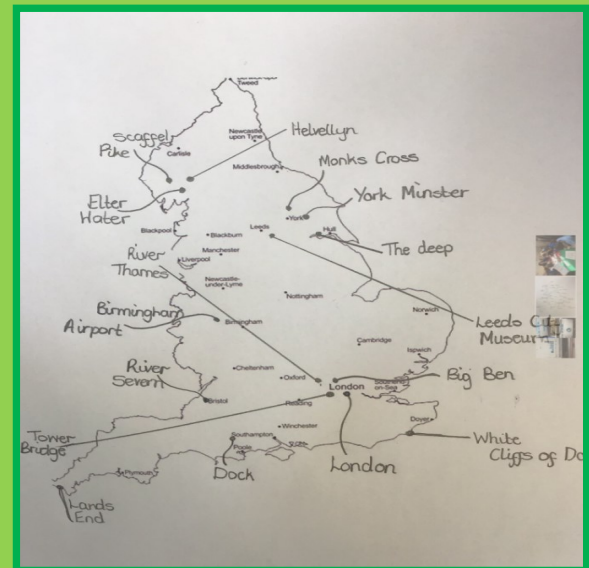

Have a lovely weekend everyone.

Our Learning This Week.....Class 2

In computing, we have been using databases to find information. We have also used them to present data in different ways. Here are some charts we created from the database.

In geography, we have been learning about the human and physical features of the different countries of the UK. Here is an example of one of our maps of England, with human and physical features identified.

In English, we have explored debates and worked in teams to debate topical issues and present our arguments.

Summer Activities

Dear Parents,

I am pleased to inform you that following the outstanding success of previous courses and the weekly coaching sessions, we are organising the 2023 summer football fun week.

The children will be coached by CRB POLICE CHECKED and F.A. QUALIFIED COACHES INCLUDING EX-PROFESSIONAL FOOTBALLERS who are used to working with and bringing the best out in children. The coaches will develop self-confidence and self esteem through encouragement and positive reinforcements. FOOTBALL IS NOT JUST FOR THE STAR PLAYERS!

The course is tightly structured with the players fully supervised at all times. All children are catered for from the absolute beginner to the more experienced players. Players are grouped together according to age, ability and experience. We have fantastic facilities including the outdoor 3-G pitch.

The course is a for 5 days from 10.00am – 3.00pm with lunch from 12.15 – 1.00pm where the children can eat a packed lunch bought from home. The club is fully supervised so children may be left in our care, however parents are welcome to stay and watch if they wish to. On Friday at 2.00pm there is a presentation when parents and friends are most encouraged to come and see the players receive their awards.

The cost of the course is £90 (We also offer **£30 DISCOUNT (£60)** for the second and subsequent children in the same family, which covers all coaching, referees, trophies, certificates and many other awards presented. Single days will be charged at £20 per day if a child is attending less than 5 days. **ALL CHILDREN ARE GUARANTEED TO RECEIVE AT LEAST ONE TROPHY AND CERTIFICATE.**
