A message from Mrs Mould...

Dear Parents/Carers

It has been lovely this week to spend some time in the classrooms and see the children's learning. They are all so engaged and staff report that they are showing increased levels of resilience and always trying their best. The children have been keen to share their learning and it is exciting to see this enthusiasm! They are also talking about their learning with more confidence and their new knowledge is really shining through.

One of our high priorities this year is Reading—both in terms of learning to read and reading for pleasure. We will be sharing more information about this in the coming weeks and sharing ideas of how you could support and help your child with their reading.

I wish you all a lovely weekend and look forward to seeing all our children and families again next week.

Best wishes

Mrs Mould

P.s.....

POLICIES ON WEBSITE

Following the meeting of the IEB last week, the following policies have been ratified. Please see our website for more information.

Child Protection Policy 2023

Child Protection Manual 2023

School Uniform Policy

Parental Code of Conduct

Attendance News

Whole School Attendance News

Our Federation Target is 97%

This week's whole school attendance was:
94.85%

Individual Attendance

Well done to all the children who achieved 97% and above Attendance this week.

Congratulations to our certificate winner:

Harry

Class Attendance News

Class 1: 97.3%

Class 2: 93.33%

Well done to Class One who will be enjoying their extra playtime.

Stars of the Week

Class 1

Ffion

For using what she has learned to create an amazing piece of non-fiction writing.

Class 2

Emily

For asking for help and trying her absolute best each day.

Forests School Stars of the Week:

Class 2

Ellie

For showing how to be sensible when using the tools.

Lewis P

For showing great resilience when playing Forest Fires.

Notes from the Headteacher:

Class 1

Poppy

For a settled and mature attitude to school mornings.

Class 2

Harlea

For going over and above especially in writing and using amazing vocabulary.

Jack C

For demonstrating our values each and every day.

Our Learning This Week.....Class 1

This week in Class 1, we have continued with our theme of the seasons and we have been investigating how much daylight we can expect across the seasons, using this information to complete a table.

In Maths this week the children have been testing their knowledge of number and place value using Sumdog. You will find their login details in their reading diaries if you would like to investigate this with your child at home. There are lots of fun maths activities for your child to take part in.

The children have also been completing their own piece of writing about nature through the seasons—we look forward to sharing these with you.

Have a great weekend everyone. See how many different coloured leaves you can spot.

Our Learning This Week.....Class 2

In Science, year 5 and 6 worked hard to collect data based on different bone lengths and have found the mean average. We have discussed how anomalous results can affect the mean and how to ensure measuring is accurate.

In Maths, year 4 have been learning Roman Numerals to 100 and have really enjoyed a variety of activities and spotting them in their own homes too! They were very excited that they would now be able to understand the clocks in their houses!

In PSHE, we have been looking at APP permissions and how Apps can share data across different devices and platforms. The year 5 and 6's showed great maturity when discussing privacy settings and have created some stunning, informative posters.

TERM DATES 2022/2023/2024
