A message from Mrs Mould...

Dear Parents/Carers

Welcome back! I hope that you have all had a lovely Summer break, despite the weather not being great—until we come back to school! It's typical!

The children have settled back into school so well this week. They have adapted to new classes, teachers and routines so well and we are really proud of them. We have already seen resilience, kindness, helpfulness, politeness, effort and pride in their work in abundance. All adults in both schools have commented on how impressed they have been with all children this week.

We especially welcome our new Nursery children in both schools who have started with us this week. They have made a great start to school and have joined in with their new classes with real enthusiasm!

This week the children have enjoyed Art Week. All children have been using various materials, skills and techniques to compose self portraits. The work that the children have produced so far have been amazing and again, impressed all adults with the care and precisions of some of the work. The portraits are not quite completed yet—but I can't wait to see the final pieces! Who knew we had so many artists in our schools?

I am really pleased to let you know that Mr Ellis will now be delivering PE lessons on a Friday as well as a Wednesday across both schools. This will mean that our children receive 2 PE lessons a week from a PE specialist, as well as swimming for KS2 children. This is a great PE offer and we are delighted to be able to provide this for our children.

You will have seen messages about jewellery not being worn for PE, Forest School and swimming lessons as well as clarification around wearing PE kits. There is more information within the newsletter this week. Please do take a moment to read through it.

A message from Mrs Mould...

Cont'd.....

To clarify—PE days are now Wednesday and Friday, Forest School Tuesday and swimming Thursday.

A reminder for your child to complete their Summer Holiday Reading Bingo Challenge and return it to your child's teacher. Certificates will be given out in Celebration Assembly next week and there will be a prize for an extra lucky winner from EY/KS1 and KS2.

From next week, we will be letting you know on Thursday if your child has been selected for a Star of the Week, Forest School Star of the Week or a Headteacher Note in Celebration Assembly on a Friday. This is so you may wish to make arrangements to come and join us for assembly as we know the children enjoy having their parents there if they achieve this. However, we would ask that you don't tell your child—we do like to surprise them in assembly!

A reminder that our after school clubs start next week (message sent out on Dojo). If you wish for your child to attend either Singing on a Monday with Mrs Ridley or Football Club with Mr Ellis on a Friday, please follow the links on Dojo to book a place for your child.

I wish you all a lovely weekend—hopefully the sun will continue to shine!

Best Wishes

Mrs Mould

Attendance News

Whole School Attendance News

Our Federation Target is 97%

This week's whole school attendance was:
93.57%

Individual Attendance

Well done to all the children who achieved 97% and above Attendance this week.

Congratulations to our certificate winner:

Carter

Class Attendance News

Class 1: 97.14 %

Class 2: 91.15 %

Well done to Class two who will be enjoying their extra playtime.

Stars of the Week

Class 1

Stars of the Week is awarded to all Reception children who have settled in to class beautifully this week.

Class 2

Joseph

For his wonderful 'can do' attitude and positivity towards learning this week.

Forests School Stars of the Week:

Class 2

Kyle

For making a super ambigram portrait using natural materials.

Harry

For showing enthusiasm in Forest School.

Notes from the Headteacher:

Class 1

Jacob R

For having a fantastic start in nursery. He has settled in so well and made lots of new friends.

Class 2

Sara and Lewis P

For fantastic resilience and effort in swimming. It was a pleasure to see their confidence grow throughout the session.

Our Learning This Week.....Class 1

What a wonderful first week back, we have been very busy indeed!

This week the children have enjoyed Art Week. We have been experimenting with varied writing materials and looking at the different marks that they make. This has led to some still like drawings of flowers.

The children enjoyed their first PE lesson, making the most of the lovely weather and the playing field. The children have been very excited to explore the new areas of provision within the classroom. They have been using some of their newly acquired skills in art in each of the provision areas.

Our Learning This Week.....Class 2

This week the children have enjoyed Art Week.

We have been focusing on portraits and have created pen portraits which we have then printed onto backgrounds, devised from contrasting colours.

We have also enjoyed our first swimming lesson and are really proud of the progress the children made in their first lesson.

We have used Sumdog in maths to practice our fluency skills and the children are really enjoying using this to improve their maths knowledge.

PE Days and Kits

On PE days (Wednesday and Fridays) children will come to school in their PE kit and remain in their PE kits all day.

PE kit is a white t-shirt, black shorts and plimsolls or trainers for outside. As the weather gets colder, children can wear their school sweatshirts over their t-shirt—NO hoodies, or branded clothing. Just the school sweatshirt or a school fleece.

Forest School Days

On Forest School day (Tuesday) children are to come to school in their uniform but ensuring that they have their arms and legs covered. As we move into Autumn and Winter, this shouldn't be a problem as the boys will be wearing trousers and jumpers and the girls wearing trousers or tights.

Children may bring an extra sweatshirt/fleece to add as an extra layer when it is cold. They will also need a weather appropriate coat.

No jewellery is to be worn on PE, Forest School or swimming days. If children are able to take out and put back in earrings on their own they may do so. If they are not able to, they should not wear earrings to school on these days. Taping over earrings is not permitted.

HELP REQUIRED

We are looking for external help at school to undertake some basic repairs and maintenance.

The work will be ad-hoc on a casual basis.

The ideal candidate will be **self employed** and undertaking a similar role. We need someone who is **trust-worthy** and reliable and has good **DIY** skills.

This will involve working in school performing basic repairs and also some general tidying up of our outside spaces.

Standard pre-employment checks including references will be required. A DBS enhanced check will need to be in place prior to undertaking any work for the school. Full safeguarding training will be given to the successful candidate.

If you know of anyone who you think would be suitable for this role, please ask them to contact Mrs Warren at school for more information.
