Dear Parents and Carers

A message from Mrs Evans

What another amazing week! It has been a privilege to get to know all of your children. They have given me such a warm welcome and have been eager to introduce themselves and tell me all about their interests and what they have been learning about this week in school. I definitely need to remember to bring my wellington boots as I was rather jealous when I saw them all heading off to Forest School with Mrs Fry!

A quick reminder that the Key Stage 1 trip to Elvington Airfield will go ahead as planned on Wednesday 21st February and Key Stage 2 swimming for Sherburn will commence on Thursday 22nd February.

I hope everyone has a safe and happy half term (let's hope the rain holds off) and we look forward to seeing you all back in school on Monday 19th February.

Best wishes

Mrs Evans (Associate Headteacher)

For their hard work and resilience during assessment week. We are incredibly proud of you!

Our Learning This Week.....Class 1

Well, what an absolutely fabulous half term! I feel very lucky to be your teacher as the warm welcome you have given me this half term has been so lovely. It has been great getting to know each one of you and working with you all on some tricky pieces of learning and having such fun along the way. This week has been no different, we have been so busy with lots of exciting learning and ended the week with some den building and trying on a REAL LIFE SPACE HELMET! WOW!

In PSHE, the children have been repeating some sports day related games. When they found it challenging or tricky, like dropping the egg or losing a race, they had to use their grounding skills to help them calm down and think positively about what happened.

In PE, the children have been learning and practicing how to vault onto apparatus, we hope you saw their wonderful videos on Dojo! Once they learnt how to vault on the apparatus, they made different shapes in the air before landing on two feet. Everyone had a go at showing their vaults, we hope you enjoyed watching the videos!

Thank you Class 1, for such a wonderful half term, I can't wait to do it all again with you next term. Enjoy your break and I look forward to hearing about all the exciting things you are doing and what you have done when we return.

Miss Trotter

Our Learning This Week.....Class 2

This week has been a busy last week of term. We have been super busy completing different assessments and we are incredibly proud of how resilient the children have been.

The children have shown great teamwork in Forest School and have worked together to build picture frames using natural resources. We are also incredibly proud of the knowledge the children have shown and remembered from the Anglo Saxons and they are now using this to write their own magazine articles.

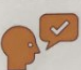

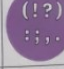

This week also saw our last swimming lesson of the year and we are all incredibly sad to see them come to an end. However, we could not be prouder of the progress that the children have made, and we have enjoyed every second of their success.

Rules the pool

- Do not jump in the water head first because you never know if there is sharp things or rocks
- If you are at a pool do not RUN!!!!!!!!!!!!!!!!!!!!
- If you feel dizzy or sick then tell someone before or while you are in the pool
- Do not walk too near to the edge because you might fall in but if you do stick your belly up and do a star float
- Do not stand on frozen water you might fall in
- Do not eat before you get into the pool you may feel sick

WORLD BOOK DAY

Thursday 7th March 2024

We will be celebrating World Book Day in both schools with a round robin of activities based around books. The children will be split into mixed age groups and visit different teachers throughout the day to complete exciting activities based around the teacher's favourite book.
