'One federation family, with transformation at its heart'

21st January 2022

Newsletter

The newsletter will be sent out every fortnight instead of weekly, to coincide with the Headteacher awards that will happen during that week. School assemblies will still take place weekly where a class will showcase work on topics they have been learning about that week.

Afterschool Clubs:

There will be no afterschool with Mrs Fry on Tuesday. Science and Nurture club will be on as usual.

Warm clothing and wellies:

A reminder that as the weather is unpredictable at the moment, children must come to school in a warm coat and with suitable footwear. Boots can be left at school in a secure place. Please name all clothes and boots so that these can be reunited with their rightful owner if they are found.

Outstanding payments:

If your child has school meals, we request for these to be paid for in advance please. We can accept cash at the office but the easiest way to pay is via your ParentPay account or with your bank card at the office or via the phone. If you require your login details, please contact Jo or Sarah in the office who will be able to assist.

If your child attends nursery, you should have received an up to date statement of any outstanding balances. Again, if you have any queries, please contact the office.

Reporting an absence:

If your child is going to be absent from school, please remember to inform school no later than 9.30am. Unless informed otherwise, we require daily updates on how your child is feeling. You can inform school by phone, email or dojo.

Shortly, we will be sending out letters regarding your child's attendance rate for the year so far. We understand that there are reasons for a child's absence and these letters are not sent to cause upset or concern, however if you do have any concerns then please speak with the office.

Friends Of Luttons School meeting:

There will be a FOLS meeting in the school hall on Monday 24th January at 9.00am to discuss ideas for future events and to offer support. We hope you are able to attend.

Competition:

On the 28th of January it is the [RSPB Big Garden Bird Watch](#) and this year we have decided to join in.

We have our bird feeders at the ready thanks to Science Club who assembled them and next week Class One are making a variety of bird food treats to add to them.

We thought you could do your bit too!

Every family will receive a plain, white bird house. This is your opportunity to create the most fabulously decorated bird house. You could paint it in bright colours, decorate it with leaves, sticks, ribbons or feathers or enhance it by adding a perch or an extra level!

Just use your wonderful imaginations!

Once done, send it back into school so we can all admire your handiwork. Prizes will be awarded and winners will be announced in assembly and on the newsletter.

Closing date is 31st January 2022.

Class 1 – William F for working really hard when blending in phonics

Class 2 – Adam H for an outstanding diary entry

Children receiving Praise Postcards from the Headteacher this week

Class 1 – Deighton S for being curious in music and participating when making a class tune
Thomas R, Harry L and Jack C for being collaborative in the Design Den when making a fabulous creation

Class 2 – Arya Skye H and Layla C for positivity towards their learning
