'One federation family, with transformation at its heart'

11th March 2022

Newsletter

We've had a busy couple of weeks in school with pancake making and World book Day. It was so lovely to see the children in their costumes and hearing about their favourite books.

Request for Donations:

We are still collecting donations to be sent to the Ukrainian refugees. Please bring your items to school by Tuesday morning and Mrs Buntin will then take these to MyLockUp in Scarborough where they will then be sent. A huge thank you to everyone who has donated so far. Your kindness is overwhelming.

Science Week

It's Science week in school next week. The teachers have got many exciting experiments lined up for their classes and the children will be working towards their CREST star badges. Look out for photos on Class Dojo!

Lutons School Bingo Night

Lutons School Bingo night will take place on Friday 25th March at 6pm. FOLs have requested some Easter eggs to be donated as prizes for this event. Your child can come to school in casual clothes next Friday (18th March) and bring an easter egg instead of a cash donation.

School Safety

Due to safeguarding reasons, please can we remind parents you should not enter any building of the school when collecting or dropping off your children. Staff are there to help your children at their pegs if needed. If you need to speak to a member of staff, please come to the office and the office staff will arrange for this.

Wellies and Socks needed

Mrs Ridley has asked if possible, could children bring wellies or spare shoes and socks into school each week so we can begin to make use of our outdoor area and make the most of the spring weather.

Easter Service

On Friday 8th April, we will be having an Easter service linked with the Church. This will begin at the school at 1.15pm. Further details to follow.

Stars of the Week and Postcards

Class 1: Stephen P for progress in fine motor skills
Lewis P for being adventurous and resilient in STEM Club
Matthew L for being knowledgeable in Science during our visit from Speedy the tortoise

Class 2: Annie B-D for working incredibly hard to plan an exciting story
Paige H, Adam H and Noah S for creativity and knowledge in music

Well done!

Have a wonderful weekend and we will see you on Monday
