'Working Together, Putting Children First within our Christian Family'

'Together we care, learn and grow'

Friday 18th September 2020

Dear Parents and Carers,

Awards

Stars of the week -

Class 1 – Henry T - for brilliantly following routines in Class 1.

Class 2 - Annabelle L - for an excellent start to year three and settling in brilliantly to a new class.

Children receiving praise postcards from the headteacher this week –

Paige H and Adam H

Mia C and Thomas R

Although we are not holding parents assemblies at the moment we are still celebrating and praising success in our class bubbles. Well done to everyone this week, lots of children on silver this week.

School lunches next week

Mrs Ward is preparing all our meals fresh each day but at the moment there are no hot puddings due to enhanced cleaning. Each day children will have a choice of fruit, yogurt, biscuit or cookie.

Monday – Cheese and tomato pizza

Tuesday – Pasta bolognaise

Wednesday – Fish, chips and peas

Thursday – Jacket potato with cheese and salad

Friday – Sausage, chips and beans

ParentPay

ParentPay has been updated for the week, all meals and breakfast club must be paid for using our online system ParentPay the reasons for this are-

- You have real time visibility of your account
- to keep our staff safe

if you have lost or forgotten your login details please get in touch with the school office.

Healthy eating

We are working hard to gain our Healthy Schools accreditation but we need your support to achieve this. Meals served in our schools have to comply with regulatory standards for the foods provided and it is often easier to get the essential nutrients children need into a cooked meal than into a packed lunch, so we recommend a school meal for children, especially as these are free for infants.

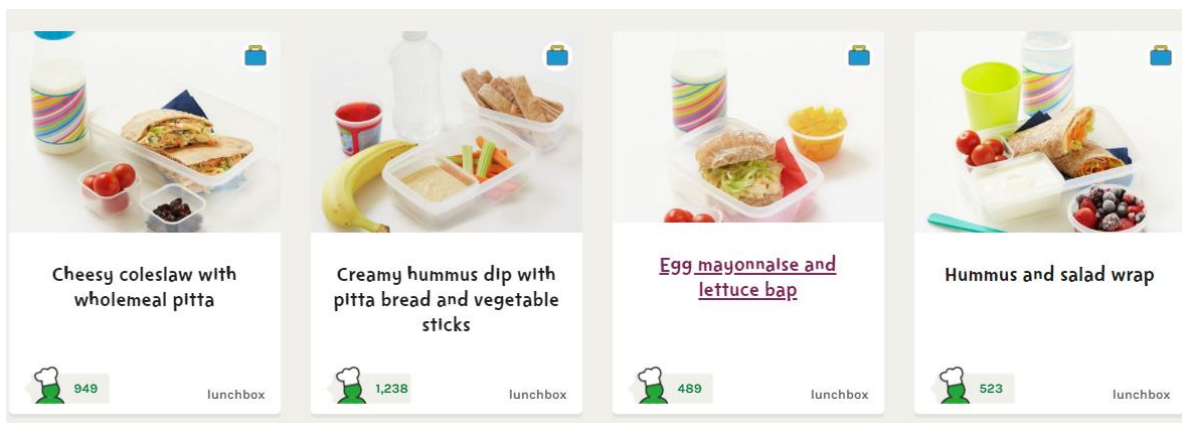

Lunch is an important meal for children to provide energy and nutrients to keep them going throughout the afternoon. A packed lunch made at home can be a healthy and delicious choice and gives you control over the foods and ingredients included.

We do not expect to see lunchboxes that have crisps, cakes, sweets and strong juice.

There are plenty of healthy lunchbox ideas online and we are happy to work with families to support their children's food choices, please get in touch.

Water bottles

We are recommending all children bring named, lidded water bottles into school, they will be sent home at the end of the day for cleaning and refilling. **No juice please**, sipping on juice throughout the day is extremely damaging to little teeth.

PE kits

We will continue to ask children to come into school in their PE kits on their PE days until further notice.

Class 1 (Mrs Jarvis and Miss Fry) Wednesday

Class 2 (Mrs Ridley) Wednesday

Reception children

Next week our reception children will be staying for the full day, they will enjoy their FREE hot lunch and then be collected or travel on the bus at 3.10pm

Tapestry and Class Dojo

Tapestry is our online learning journey for children in nursery, reception and now Year 1. Parent access logins have been sent out, you can view images and comment on what your child has been doing during their time with us.

Class Dojo is our online class communication and reward tool, again logins have been sent out to our new families shortly. Staff will be adding class updates and information about what is happening in the classroom. You can also send a direct message to the class teacher during this period where we are unable to allow parents into the school buildings.

Peat Rigg

Unfortunately we are still unable to go on residential visits this term, we are in touch with Peat Rigg who are monitoring the latest guidance. We are hoping to be able to offer this residential in the Spring or Summer term 2021. As soon as we have a date we will let you know.

Contact details

Please remember to update us if you change your mobile number or email address, thanks

Have a great weekend

Mr Taylor
